Dear families,

Booking Extended Provision

I am writing to clarify our procedures when booking extended provision (Breakfast Club, Afterschool Club and Wednesday Club).

In the interests of safeguarding, we have a duty to ensure that staffing meets the demand for places. This means that we need to know in advance if your child will be attending our extended provision.

After School Club

Ideally, you will book your pattern of Breakfast and After School clubs **well in advance** using the i-PAL app. This is the best approach, as it allows us to plan ahead and ensure that the place is secured for your child.

We understand that occasionally, you will require After School provision at short notice. From Monday 27th April, **children must be booked in by midday** on the day that you require them to stay for After School Club. If they are not booked on by 12:00 noon, we will they will **not be permitted to stay**.

Wednesday Club

Wednesday Club must be booked in advance for the term ahead on the i-PAL app.

Please use the i-PAL app to book your child's Wednesday Club until the end of the school year by **Thursday 30th April**.

We will not accept bookings for Wednesday Club after this date.

Many thanks for your understanding.

With best wishes,
